Transcriber's Office

April 10, 2000 LB 1021

introducers of this bill, Common Cause, on their belief...

SENATOR CUDABACK: One minute.

SENATOR TYSON: ...in your integrity. Think about that and vote as your conscience dictates. Thank you.

SENATOR CUDABACK: Thank you, Senator Tyson. Senator Schimek, there are no further lights. Did you wish to close on your amendment, AM3321?

SENATOR SCHIMEK: Yes, Mr. President. Members of the body, I will be brief. And, Senator Tyson, I would never characterize one of your bills as being a waste of time. I think that anything we do on this floor has some relevance and some importance, and particularly when they are someone's priority bills. I just want to say also that the Schimek amendment isn't the bill; it is a compilation of all the work that's been done so far, some parts from the original bill, some parts from the committee amendment, some parts from the Schimek-Wickersham amendment of General File, and now finally a few changes here on Select File. So it's a compilation of all the efforts that have been made to date on this bill. I'm not going to go over the particular provisions. You have it all right in front of you. You've heard about them several times. I'd simply ask you to adopt the amendment and to move the bill today. Thank you.

SENATOR CUDABACK: Thank you, Senator Schimek. You've heard the closing on AM3321 to LB 1021. The question before the body is, shall AM3321 be adopted to LB 1021? All in favor vote aye, opposed nay. We're voting on the Schimek amendment, AM3321. Have you all voted who care to? Record, please, Mr. Clerk.

CLERK: 32 ayes, 2 nays, Mr. President, on the adoption of Senator Schimek's amendment.

SENATOR CUDABACK: The Schimek amendment is adopted. We're now open for discussion on LB 1021. Excuse me. Mr. Clerk, other amendment?

CLERK: Mr. President, Senator Brashear, AM3287?
